RESPONSE TO ELECTION/RESTRICTION REQUIREMENT

Sir:

In response to the Election/Restriction Requirement dated March 28, 2003, the Applicants elect Group II (claims 13-27, 39-44, 57-60, 66-68, 71, and 72) with traverse. The traversal is made on the grounds that it is believed that a single search and examination covering all of the claims, or at least Groups I and II (claims 1-27, 39-44, 57-60, and 66-72), would not place undue burden on the Examiner.

Should further questions arise concerning this application, the Examiner is invited to call Applicants' representative at the number listed below. If an extension of time is necessitated by

the filing of this paper or any future paper filed in this case, such an extension of time through the filing date of this paper is respectfully requested.

Respectfully submitted,
R. Rox Anderson et al., Applicants
